

Nanopore Sequencing Workshop

Data Science Core

Alaska INBRE NIH IDeA (P20GM103395)

Day 3 Agenda

Activity	Type	Start	End
Reproducible Research Principles	Lecture	Wed 9:00 AM	Wed 9:30 AM
Pipelines, Workflows & Containers	Lecture	Wed 9:30 AM	Wed 9:45 AM
Brain Break	Break	Wed 9:45 AM	Wed 10:00 AM
Git	Bioinformatics	Wed 10:00 AM	Wed 11:30 AM
Lunch	Meal	Wed 11:30 AM	Wed 12:30 PM
Free time	Break	Wed 12:30 PM

About

Reproducible Research Tutorial Series

This is a series of tutorials on improving the reproducibility of data analysis for those doing microbial ecology research. Although the materials focus on issues in microbial ecology, the principles are broadly applicable. Also, this
